

DIFFICULT CONVERSATIONS FOR LEADERS

Online Training!

For further information or to register for this program please go to our website www.corporatedojo.com

How well do you engage in conversations with poor performing members of your team? Do you address the issues you need to?

When it comes to moody, disrespectful, complacent, or uncooperative staff, do you step forward and have powerful conversations that inspire change?

Sign up for this program to learn how, through a firm and fair, loving and tough approach to crucial conversations you can influence your people to be at their best.

Sign up for this training if you want to...

- Create a respectful, accountable and collaborative team culture
- Deal with unresolved conflicts or baggage and move your team forward
- Have honest conversations with people about how their attitude or behaviours need to change
- Support team members who are struggling to deliver, to lift their game and save their job
- Let people go in ways that allow them to maintain hope and dignity – as well as respect for you and your organisation

Online Module:	Focus:
The power of tough love	The power of the truth delivered respectfully
Lifting results	Conversations about poor performance
Addressing attitudes and behaviour	10 of the most common mindset and conduct conversations
Dealing with reactions	Dealing with pushback and emotional responses
Letting people go well	How to tell someone they have lost their job

What you can expect to gain from completing the program...

- Confidence to have the conversations you need to with your team
- Ability to leverage the power of tough love and be both honest and respectful
- Strategies for helping people build greater self-awareness and step into their potential
- The keys to successful performance improvement meetings
- Insight to how you can approach 10 of the most common attitude or behavior conversations needed in the workplace
- Greater understanding of why people 'pushback' and how best to respond
